

Yield10 Bioscience to Hold Fourth Quarter and Full Year 2018 Financial Results Conference Call on Monday, March 25, 2019, at 4:30 p.m. EDT

March 19, 2019

WOBURN, Mass. , March 19, 2019 (GLOBE NEWSWIRE) -- Yield10 Bioscience, Inc. (NASDAQ: YTEN) announced today that the Company will report its fourth quarter and full year 2018 financial results and provide a corporate update on Monday, March 25, 2019.

Management will host a business update conference call on Monday, March 25, 2019 at 4:30 p.m. eastern time to review financial results, corporate highlights and provide a business update. Following management's formal remarks, there will be a question and answer session.

To listen to the conference call, interested parties within the U.S. should call 1-877-709-8150. International callers should call +1-201-689-8354. The conference call will also be available through a live webcast, and will reference a slide deck, which may be accessed through the investor relations section of the Company's website at www.yield10bio.com.

A replay of the call will be available approximately one hour after the end of the call through Tuesday, April 9, 2019. The replay may be accessed via the Company's website on the investor relations event page or by dialing 877-660-6853 (toll-free) or +1-201-612-7415 (international) The replay conference playback passcode is 13687674.

AboutYield10

Yield10 Bioscience, Inc. is an agricultural bioscience company which uses its "Trait Factory" to develop high value seed traits for the agriculture and food industries. Yield10 has an extensive track record of innovation based around optimizing the flow of carbon in living systems. Yield10 is leveraging its "GRAIN" technology platform and unique knowledge base to design precise alterations to gene activity and the flow of carbon in plants to produce higher yields with lower inputs of land, water or fertilizer. Yield10 is advancing several yield traits it has developed in crops such as canola, soybean, rice, wheat and corn. Yield10 is headquartered in Woburn, MA and has an Oilseeds Center of Excellence in Saskatoon, Canada.
