**PROXY STATEMENT**

**For a Special Meeting of Stockholders  
To Be Held on November 29, 2017**

**October 17, 2017**

Proxies in the form enclosed with this Proxy Statement are solicited by the Board of Directors of Yield10 Bioscience, Inc., a Delaware corporation (“Yield10” or the “Company”), for use at the Special Meeting of Stockholders of Yield10 to be held on Wednesday, November 29, 2017, at 10:00 a.m., Eastern time, or at any adjournments or postponements thereof (the “Special Meeting”) at the Company’s offices at 19 Presidential Way, Woburn, MA 01801. Directions to the location of the Special Meeting are available at <http://ir.yield10bio.com/index.cfm>. This Proxy Statement and the form of proxy were first sent or given to stockholders on or about October 19, 2017.

The purpose of the Special Meeting is to seek shareholder approval to amend the Company’s Amended and Restated Certificate of Incorporation, as amended (“Certificate of Incorporation”), to decrease from 250,000,000 shares to 40,000,000 shares the aggregate number of shares of our common stock that are authorized to be issued.

Only stockholders of record at the close of business on October 3, 2017 (the “Record Date”) will be entitled to receive notice of and to vote at the Special Meeting. As of the Record Date, 3,461,714 shares of Common Stock were issued, outstanding and entitled to vote.

**VOTING**

The holders of Common Stock are entitled to one vote per share on the proposal to be presented at the Special Meeting. Stockholders may vote in person or by proxy. Stockholders may vote by proxy by completing, signing, dating and returning the accompanying proxy card in the postage-prepaid envelope enclosed for that purpose in accordance with the instructions listed on the proxy card. Execution of a proxy will not in any way affect a stockholder’s right to attend the Special Meeting and vote in person.

Any proxy given pursuant to this solicitation may be revoked by the person giving it any time before the taking of the vote at the Special Meeting. Proxies may be revoked by (1) filing with the Secretary of Yield10, before the taking of the vote at the Special Meeting, a written notice of revocation bearing a later date than the proxy, (2) duly executing a later-dated proxy relating to the same shares and delivering it to the Secretary of Yield10, in accordance with the instructions listed on the proxy card, before the taking of the vote at the Special Meeting, (3) if shares are held in a bank or brokerage account and if eligible, by transmitting a subsequent vote over the Internet or

by telephone, or (4) attending the Special Meeting and voting in person (although attendance at the Special Meeting will not in and of itself constitute a revocation of a proxy). Any written notice of revocation or subsequent proxy should be sent to Yield10 Bioscience, Inc., 19 Presidential Way, Wobum, MA 01801, Attention: Secretary, so as to be delivered before the taking of the vote at the Special Meeting.

If your shares are held by a broker on your behalf (that is, in "street name"), you may be required to present an account statement or letter from your bank or brokerage firm showing that you are the beneficial owner of the shares as of the Record Date in order to be admitted to the Special Meeting. To be able to vote your shares held in street name at the Special Meeting, you will need to obtain a proxy from the holder of record.

The persons named as attorneys-in-fact in the proxies, Oliver P. Peoples and Charles B. Haaser, were selected by the Board of Directors and are officers of the Company. All properly executed proxies returned in time to be counted at the Special Meeting will be voted by such persons at the Special Meeting as stated below. When a choice has been specified on the proxy with respect to a matter, the shares represented by the proxy will be voted in accordance with the specifications. If a proxy is submitted without giving voting instructions, such shares will be voted FOR the amendment of the Company's Certificate of Incorporation to decrease from 250,000,000 shares to 40,000,000 shares the aggregate number of shares of our common stock that are authorized to be issued.

The representation in person or by proxy of at least a majority of the outstanding shares of Common Stock entitled to vote at the Special Meeting is necessary to constitute a quorum for the transaction of business. Abstentions are counted as present or represented for purposes of determining the presence or absence of a quorum for the Special Meeting, and will have the same effect as "against" votes. If your shares are held in street name, and you do not instruct the broker as to how to vote your shares on the amendment to the Certificate of Incorporation, the broker will not have discretion to vote for or against such proposal, your shares will not be counted as present or represented for purposes of determining the presence or absence of a quorum for the Special Meeting and it will have the same effect as "against" votes. This would be a broker "non-vote". **Please vote your proxy so your vote can be counted.**

**Important Notice Regarding the Availability of Proxy Materials for the Special Meeting: The proxy statement is available for viewing, printing and downloading at <http://ir.yield10bio.com/index.cfm>.**

## PROPOSAL

### APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO DECREASE THE AUTHORIZED NUMBER OF SHARES OF OUR COMMON STOCK, \$0.01 PAR VALUE PER SHARE, FROM 250,000,000 TO 40,000,000

The Board of Directors has determined that it is advisable to decrease our authorized common stock, \$0.01 par value per share, from 250,000,000 shares to 40,000,000 shares, and has voted to recommend that the stockholders adopt an amendment to our Certificate of Incorporation effecting the proposed decrease. The full text of the proposed amendment to our Certificate of Incorporation is attached to this proxy statement as Appendix A.

As of September 15, 2017, 3,454,601 shares of our common stock were issued and outstanding, an additional 1,634,671 shares were reserved for issuance upon the conversion of existing securities, including vesting of outstanding restricted stock units and exercise of options or warrants granted under our various stock-based plans and certain agreements, and an additional 377,124 shares remain available for issuance under our 2014 Stock Option and Incentive Plans. Accordingly, of our 250,000,000 authorized common shares, approximately 244,533,604 shares of common stock are available for future issuance.

On May 24, 2017, our stockholders approved an amendment to our Certificate of Incorporation to effect a reverse stock split of our common stock at a ratio in the range of 1:2 to 1:10, such ratio to be determined by the Board of Directors. On May 25, 2017, we filed a Certificate of Amendment to our Certificate of Incorporation effecting a 1:10 reverse stock split effective as of May 30, 2017. As a result of this stock split, we currently have a very wide discrepancy between the number of shares of issued and outstanding common stock and the number of authorized shares of common stock.

The Board of Directors believes it continues to be in the best interest of Yield10 and its stockholders to have sufficient additional authorized but unissued shares of common stock available in order to provide flexibility for future corporate action in the future. Management believes that the availability of additional authorized shares for issuance from time to time in the Board of Directors' discretion in connection with future financings, possible acquisitions of other companies, investment opportunities or for other corporate purposes is desirable in order to avoid repeated separate amendments to our Certificate of Incorporation and the delay and expense incurred in holding special meetings of the stockholders to approve such amendment.

We currently have no specific understandings, arrangements, agreements or other plans to issue, in connection with future acquisitions, financings or otherwise, any of the authorized but unissued shares that would remain available following the proposed decrease in the number of authorized shares of our common stock. However, the Board of Directors believes that the unissued shares that remain available after the implementation of the reverse stock split results in a very high Delaware state franchise tax liability, while a lower number of unissued shares will still provide sufficient flexibility for corporate action in the future. Specifically, our current number of authorized shares results in a Delaware state franchise tax liability of approximately \$190,000 per year, while the proposed decrease in authorized shares to 40,000,000 would result in a Delaware state franchise tax liability of approximately \$39,000 per year, which would result in a meaningful cost savings for the Company in light of its current financial resources. Therefore, the Board of Directors recommends that our stockholders approve a decrease in the number of authorized shares of our common stock from 250,000,000 to 40,000,000. Even if the stockholders approve the proposed decrease in the number of Yield10's authorized shares, Yield10 reserves the right not to amend the Certificate of Incorporation if the Board does not continue to deem such amendment to be in the best interest of Yield10 and its stockholders following the Special Meeting.

We will not solicit further authorization by vote of the stockholders for the issuance of the unissued authorized shares of common stock, except as required by law, regulatory authorities or rules of the NASDAQ Capital Market or any other stock exchange on which our shares may then be listed. The issuance of additional shares of common stock could have the effect of diluting existing stockholder earnings per share, book value per share and voting power. Our stockholders do not generally have any preemptive right to purchase or subscribe for any part of any new or additional issuance of our securities.

Approval of the amendment to our Certificate of Incorporation to effect the proposed decrease in our authorized number of shares of common stock requires an affirmative vote of a majority of the common stock outstanding and entitled to vote at the Special Meeting. Abstentions will be counted towards the vote total for this proposal and will have the same effect as "against" votes. Broker non-votes will not be counted towards the vote total for this proposal and will have the same effect as "against" votes.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE AMENDMENT TO OUR CERTIFICATE OF INCORPORATION, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF THE AMENDMENT UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.**

#### **OTHER MATTERS**

The Board of Directors knows of no other matters to be brought before the Special Meeting. If any other matters are properly brought before the Special Meeting, the persons appointed in the accompanying proxy intend to vote the shares represented thereby in accordance with their best judgment on such matters, under applicable laws.

#### **EXPENSES AND SOLICITATION**

The cost of solicitation of proxies will be borne by the Company and, in addition to soliciting stockholders by mail through its regular employees, the Company may request banks, brokers and other custodians, nominees and fiduciaries to solicit their customers who have stock of the Company registered in the names of a nominee and, if so, will reimburse such banks, brokers and other custodians, nominees and fiduciaries for their reasonable out-of-pocket costs. Solicitation by officers and employees of the Company may also be made of some stockholders in person or by mail, telephone or e-mail following the original solicitation. If Yield10 does retain a proxy solicitation firm, Yield10 would pay such firm's customary fees and expenses, which fees would be expected not to exceed \$10,000 plus expenses.
