Metabolix to Present at Drexel Hamilton Conference

Presentation to be Webcast Live at 9:00 a.m. ET on November 12

CAMBRIDGE, Mass., Oct. 30, 2015 (GLOBE NEWSWIRE) -- Metabolix, Inc. (NASDAQ:MBLX), an advanced biomaterials company focused on sustainable solutions for the plastics industry, announced today that management will make a presentation to investors at the Drexel Hamilton Micro Cap Investor Forum on Thursday, November 12, 2015 at 9:00 a.m. ET.

A live audio webcast can be accessed through the "[Investors](#)" section of the Company's website at www.metabolix.com. Interested parties unable to listen to the live webcast can access an archived version on the Company's website for approximately 90 days.

About Metabolix

Metabolix, Inc. is an innovation-driven specialty materials company focused on delivering high- performance biopolymer solutions to customers in the plastics industry. Metabolix's Mirel[®] biopolymers, which are derived from renewable resources, are a family of biobased performance additives and specialty resins based on PHA (polyhydroxyalkanoates). Metabolix's proprietary biotechnology platform enables the creation of specialty biopolymers for use in a broad range of applications such as construction and packaging materials, as well as industrial, consumer and personal care products.
