Metabolix to Conduct a Webcast of Its First Quarter Fiscal Year 2012 Earnings Call

CAMBRIDGE, Mass.--(BUSINESS WIRE)-- April 10, 2012--Metabolix, Inc. (NASDAQ:MBLX), a bioscience company focused on bringing clean, sustainable solutions to the plastics, chemicals and energy industries, announced today that it will be releasing its first quarter fiscal 2012 financial results after the market close on Thursday, April 26, 2012. The full text of the earnings release will also be available on the Company's website at www.metabolix.com.

Richard Eno, the Company's President and CEO, Joseph Hill, CFO, and Oliver Peoples, Co-founder and CSO, will host a conference call on the same day at 4:30 p.m. (Eastern) to discuss the results of the first quarter ended March 31, 2012. The Company will also provide an update on the business and answer questions from the investment community. A live webcast of the call with slides can be accessed through the Company's website at www.metabolix.com in the investor relations section. To participate in the call, dial toll-free 1-888-417-8519 or 719-325-2115 (international). The pass code is 3078349.

To listen to a telephonic replay of the conference call, dial toll-free 1-877-870-5176 or 1-858-384-5517 (international) and enter pass code 3078349. The replay will be available beginning at 7:30 p.m. (Eastern) on Thursday, April 26, 2012 and will last through 11:59 PM (Eastern) May 10, 2012. In addition, the webcast will be archived on the Company's website in the investor relations section.

About Metabolix

Founded in 1992, Metabolix, Inc. is an innovation-driven bioscience company focused on providing sustainable solutions for the world's needs for plastics, chemicals and energy. The Company is taking a systems approach, from gene to end product, integrating sophisticated biotechnology with advanced industrial practice. Metabolix is developing biosourced industrial chemicals and plastics, as well as a proprietary platform technology for co-producing plastics, chemicals and energy from crops.
