## **Metabolix to Present at 28th Annual ROTH Conference**

### **Live Webcast on March 15, 2016 at 9:00 a.m. PT**

CAMBRIDGE, Mass., March 10, 2016 (GLOBE NEWSWIRE) -- Metabolix, Inc. (NASDAQ:MBLX), an advanced biomaterials company focused on sustainable solutions for the plastics industry, announced today that management will make a presentation to investors at the 28<sup>th</sup> Annual ROTH Conference on Tuesday, March 15, 2016 at 9:00 a.m. PT (12:00 p.m. ET).

A live audio webcast and copy of the presentation can be accessed through the "[Investors](#)" section of the Company's website at [www.metabolix.com](http://www.metabolix.com). Interested parties unable to listen to the live webcast can access an archived version on the Company's website for approximately 90 days.

### **About Metabolix**

Metabolix, Inc. is an innovation-driven specialty materials company focused on delivering high- performance biopolymer solutions to customers in the plastics industry. Metabolix's Mirel<sup>®</sup> biopolymers, which are derived from renewable resources, are a family of biobased performance additives and specialty resins based on PHA (polyhydroxyalkanoates). Metabolix's proprietary biotechnology platform enables the creation of specialty biopolymers for use in a broad range of applications such as construction and packaging materials, as well as industrial, consumer and personal care products.
