## **Metabolix to Webcast Its Presentation at 12th Jefferies Global Clean Technology Conference**

CAMBRIDGE, Mass.--(BUSINESS WIRE)-- February 7, 2012--Metabolix, Inc. (NASDAQ: MBLX), a bioscience company focused on bringing clean, sustainable solutions to the plastics, chemicals and energy industries, announced today that it will be presenting at the 12<sup>th</sup> Jefferies Global Clean Technology Conference at 3:00 p.m. ET on Wednesday, February 22, 2012 in New York City.

The Company will deliver a 25-minute formal presentation followed by a breakout session to answer questions from the institutional investment community. The presentation will also be webcast and can be accessed from the Company's website at [www.metabolix.com](http://www.metabolix.com) in the investor relations section.

### **About Metabolix**

Founded in 1992, Metabolix, Inc. is an innovation-driven bioscience company focused on providing sustainable solutions for the world's needs for plastics, chemicals and energy. The Company is taking a systems approach, from gene to end product, integrating sophisticated biotechnology with advanced industrial practice. Metabolix is developing biosourced industrial chemicals and plastics, as well as a proprietary platform technology for co-producing plastics, chemicals and energy, from crops such as switchgrass, oilseeds and sugarcane.
