## **Metabolix To Present At Roth Conference**

### **Presentation to be Webcast Live at 5:30 p.m. PT on March 11**

CAMBRIDGE, Mass., March 5, 2014 /PRNewswire/ -- Metabolix, Inc. (NASDAQ: MBLX), an innovation-driven performance biomaterials company delivering sustainable solutions to the plastics and chemicals industries, announced today that management will make a presentation to investors at the Roth 26<sup>th</sup> Annual Conference in Dana Point, CA on Tuesday, March 11, 2014 at 5:30 p.m. PT.

A live audio webcast can be accessed through the "[Investors](#)" section of the Company's website at [www.metabolix.com](http://www.metabolix.com). Interested parties unable to listen to the live webcast can access an archived version of the webcast on the Company's website for approximately 90 days.

### **About Metabolix**

Metabolix, Inc. is an advanced biomaterials company that is well positioned to address growing market demand for sustainable solutions in the plastics and chemicals industries. The Company is developing and commercializing a family of high-performance biopolymers targeted to the markets for film and bag applications, performance additives and functional biodegradation. Metabolix's biobased chemicals platform is focused on high-value segments and applications using its novel "FAST" recovery process. The Company also is developing a platform for co-producing plastics, chemicals and energy from crops. Metabolix has established an industry-leading intellectual property portfolio that, together with its knowledge of advanced industrial practice, provides a foundation for industry collaborations.
