Yield10 Bioscience to Host Webcast of its 2016 Year-end Conference Call

WOBURN, Mass., March 14, 2017 (GLOBE NEWSWIRE) -- Yield10 Bioscience, Inc. (NASDAQ:YTEN) announced today that the Company plans to release its fourth quarter 2016 financial results and host a conference call with management after market close on Wednesday, March 22, 2017.

Shareholders will participate in the call in listen-only mode. The Company invites shareholders to submit questions for consideration by March 17, 2017 to IR@yield10bio.com with the subject line: "Questions for Year-end Call." Questions submitted in advance of the call will be reviewed and some will be addressed in management's prepared remarks or in the Q&A portion of the call.

Interested participants can join the conference call using the following numbers:

U.S. Toll-free dial-in: 1-877-709-8150

International dial-in: 201-689-8354

Event Date/Time: Wednesday, March 22 at 4:30 p.m. ET

A live webcast of the call including the slide deck can be accessed through the investor relations section of the Company's website at www.yield10bio.com. The webcast will be archived on the Company's website in the investor relations section.

To listen to a telephonic replay of the conference call, dial 877-660-6853 (toll-free) or 201-612-7415 (international) and enter passcode 13654728. The replay will be available for 14 days.

About Yield10

Yield10 Bioscience, Inc. is focused on developing disruptive technologies for producing step-change improvements in crop yield to enhance global food security. Yield10 is leveraging an extensive track record of innovation based around optimizing the flow of carbon intermediates in living systems. By working on new approaches to improve fundamental elements of plant photosynthetic efficiency and optimizing carbon metabolism to direct more carbon to seed production, Yield10 is advancing several yield traits it has developed in crops such as Camelina, canola, soybean and corn. Yield10 is based in Woburn, MA. For more information about the Company, please visit www.yield10bio.com. (YTEN-E)
