Item 1.01 Entry into a Material Definitive Agreement

On November 19, 2007, Metabolix, Inc. (the "Company") entered into an agreement with Abbott Laboratories (the "Licensee") granting the Licensee an exclusive worldwide patent license for the use of the Company's multi-gene expression technology in pharmaceutical product applications.

The agreement includes an initial payment of \$500,000, as well as maintenance fees, sublicense fees, milestone payments based on development and commercialization of licensed products, and royalties on sales of products covered by the licensed patents.

The foregoing is a summary description of certain terms of the license agreement. The Company intends to file the license agreement as an exhibit to its annual report on Form 10-K for the year ending December 31, 2007.
