Metabolix to Webcast Its Presentation at 10th Annual Ardour Capital Energy Technology Conference

CAMBRIDGE, Mass.--(BUSINESS WIRE)-- May 29, 2012--Metabolix, Inc. (NASDAQ: MBLX), an innovation-driven bioscience company delivering sustainable solutions to the plastics, chemicals and energy industries, announced today that it will be presenting at the 10th Annual Ardour Capital Energy Technology Conference at 1:00 p.m. EDT on Thursday, June 7, 2012 in New York City.

The Company will deliver a 15-minute formal presentation followed by a breakout session to answer questions from the institutional investment community. The presentation will also be webcast and can be accessed from the Company's website at www.metabolix.com in the investor relations section.

About Metabolix

Metabolix, Inc. is an innovation-driven bioscience company delivering sustainable solutions to the plastics, chemicals and energy industries. Metabolix is developing and commercializing MirelTM and Mvera,TM a family of high-performance bioplastics which are biobased and biodegradable alternatives to many petroleum-based plastics. Metabolix's biobased chemicals platform utilizes its novel "FAST" recovery process to enable the production of cost-effective, "drop in" replacements for petroleum-based industrial chemicals. Metabolix is also developing a platform for co-producing plastics, chemicals and energy from crops. Metabolix has established an industry-leading intellectual property portfolio that, together with its knowledge of advanced industrial practice, provides a foundation for industry collaborations.
