Metabolix, Inc. to Conduct a Webcast of Its Third Quarter 2006 Financial Results

CAMBRIDGE, Mass., Dec 06, 2006 (BUSINESS WIRE) -- Metabolix, Inc. (NASDAQ: MBLX), announced today that it will be releasing its third quarter 2006 financial results after the market close on Monday, December 11, 2006. The full text of the release will also be available on the Company's website at www.metabolix.com. James Barber, the Company's CEO will host a conference call on the same day at 4:30 p.m. (Eastern).

The conference call will be webcast and can be accessed from the Company's website at www.metabolix.com in the investor relations section, as well as from the following link: <http://viavid.net/dce.aspx?sid=000038D7>. For those who are unable to listen to the webcast live, an indexed recording of the call will be posted on the Company's website following the completion of the conference call.

To listen to a replay of the conference call, dial toll-free 1-888-203-1112 or 1-719-457-0820 for international callers and enter passcode 4358034. The replay will be available beginning at 7:30 p.m. (Eastern) on Monday, December 11, 2006 and will last through midnight (Eastern) December 14, 2006.

About Metabolix

Founded in 1992, Metabolix, Inc. is developing and commercializing environmentally sustainable and totally biodegradable Natural Plastic as a clean alternative to petroleum-based plastics. The Company is taking a systems approach, from gene to end product, to integrate sophisticated biotechnology with current industrial practice to produce plastics, fuels and chemicals from renewable resources. In addition to its microbial fermentation platform for production of Natural Plastic, Metabolix is also developing a proprietary platform technology for co-producing, in non-food plant crops such as switchgrass, Natural Plastic and biomass for biofuels such as ethanol and for chemical products.
